

## Grandparent E-mail Request

Some parents have asked us to include grandparents on our e-mail communication. We would like to start sending grandparents some communication from the school. We are interested in sending the Monthly issue (first Wednesday of the month) of Gateway Family News and any special news, such as our on-line auction being available for bidding or a reminders of Grandparent's Day or other All School events. We will not be sending very much e-mail communication, so this will not overwhelm grandparents' e-mail inboxes!

Please help us build our grandparent e-mail data base by providing the following information:

Your Student's Name and Grade:

---

Grandparent Names

E-mail Addresses

---

---

---

---

---

---

If you have another family member who plays an important role in your child's education please give us their information to include in this e-mail grouping as well.

Name

Relationship

E-mail
