

## Financial Aid for the 2018-2019 School Year

December 2017

Dear Gateway School Families,

Attached you will find the 2018-2019 Gateway School financial aid packet. This packet contains all of the information and forms you will need to apply for financial aid for Gateway School's 2018-2019 Kindergarten through 8<sup>th</sup> grade programs.

### **The application process:**

Families seeking financial aid must file an online application through the Financial Aid for School Tuition program (FAST). FAST provides Gateway School a need-based financial aid analysis service which ensures that our process for determining financial need adheres to nationally established standards of best practice. All information from FAST is kept confidential, as is all other information pertaining to each family's financial aid request.

The FAST online application process is self-guided. You may log in and out of the program as often as you like, until you complete the application by paying the application fee at the very end. The FAST website has resources such as a Parent User Guide and sample application, as well as a parent helpline number that is available 24/7.

After completing the online application, applicants are required to mail to FAST copies of their complete 2017 federal and state tax returns, supporting documents such as W-2 forms, and a completed IRS Form 4506-T. Mailing instructions and a copy of Form 4506-T are included in this packet. You may be able to scan the documents and upload them to the FAST website, instead of mailing them. Uploading instructions are on the FAST website.

Once your application is complete, the Gateway School Financial Aid committee will review your FAST application and tax documents. If these demonstrate sufficient financial need to qualify your family for financial aid, we will issue an award and send you an enrollment packet that reflects this award.

**New and returning families:** Please note that **we will not be able to calculate an award for your child until all of your 2017 tax documents have been received and processed by FAST.** For this reason, we urge you to do your best to get your 2017 taxes done as early as possible in January or February. The longer it takes for you to file your taxes, the longer it will take for you to receive an enrollment packet that reflects your child's award.

### **An enrollment alternative:**

**If you wish to enroll your child before you have completed the application process,** you may enroll him or her on a full-tuition enrollment contract. Later on, after FAST has

received your tax documents and the Financial Aid Committee has completed its review, we will calculate an award that will be applied to your child's tuition retroactively (assuming that your completed application demonstrates that you qualify for aid).

**Full-tuition re-enrollment contracts will be sent to all current families automatically at the end of January.** Parents may opt to use these contracts to enroll their children early, or they may opt to wait until the financial aid process has been completed to enroll their children later, using contracts that reflect their final financial aid awards.

For students who will be new to Gateway School in 2018-2019, a full-tuition contract will be sent out to the parents once the student has completed the Admissions process and has been accepted. Parents who know they will be applying for financial aid may choose to wait until the financial aid process has been completed to be issued an enrollment contract that reflects the award for which they qualify.

#### **Financial Aid Application Principals:**

The attached document entitled **Gateway School Financial Aid Application Principles provides information that all applicant families need to know regarding financial aid application processing.** A copy of this form will be included in the enrollment packet you will receive after your award has been calculated. At that time, you will be required to sign this document and return it to the school with your enrollment paperwork.

#### **Fee for applying for 2018-2019 financial aid:**

The fee for filing the FAST application is \$43 for any number of children in the same family. This non-refundable fee must be paid by credit card at the completion of the online filing process. If parents do not have one of the accepted credit cards, they can purchase a payment voucher from the Gateway School Business Office by paying \$43 in cash or by check (made out to Gateway School).

#### **Deadlines for applying for 2018-2019 financial aid:**

- Online application submitted to FAST: Feb. 15, 2018**
- 2017 tax documents and forms Mailed to FAST: Feb. 24, 2018, OR**
- 2017 tax documents and forms Uploaded to FAST: Feb. 28, 2018**

**Applying after the deadline:** The bulk of our financial aid funds are awarded in March. Applications submitted after the deadline listed above will be processed on a rolling basis, provided there are funds remaining in the school's financial aid budget.

**New Families please note:** Financial aid applications for new students cannot be processed until an admissions application for the student has been filed with the Admissions Office.

## **CHECKLIST FOR APPLICANTS:**

- ❑ **File your 2017 federal and state tax returns as early as possible** (during the month of January or February 2018, if possible).
  
- ❑ **By February 15, 2018, complete the FAST application online.**
  - Use the figures from your 2017 tax returns, if possible.
  - If this is not possible, file your FAST application using estimated figures.
  - If divorced, separated or never-married, each parent must file a separate (but linked) FAST application that represents the finances of his or her own household.
  
- ❑ **By February 24, 2018, mail a copy of your complete 2017 tax returns, other required tax documents and your completed Form 4506-T to FAST, OR**
  
- ❑ **By February 28, 2018, scan and upload these returns and forms to FAST.**
  
- ❑ **Tax Document Requirements:**
  - The tax return copies that you send to FAST must be identical to the original returns that you submit to the IRS and the state.
  - The federal and state tax return copies that you send in must both be **signed and dated**. Your signature on these copies represents your guarantee to Gateway School and to FAST that these copies are identical to the original returns you submit to the IRS and the state.
  - The tax return copies that you send in must be complete, meaning that they must include **all of the supporting schedules** that you submit to the IRS and state.
  - In addition to your complete tax returns, you must also send to FAST copies of all of your **W-2 form(s), K-1 form(s)** (if applicable), **1099 form(s)** (if applicable) and **returns for any businesses you may own** (if applicable).
  - If divorced, separated or never-married, each parent must send FAST a complete set of signed and dated 2017 tax returns, W-2, K-1 and 1099 forms, and business returns.
  - Print out IRS Form 4506-T (which you will find on pages 11-12 of this packet), complete the form, sign the form but **do not date it**. Then send it to FAST with your tax documents.
  - If divorced, separated or never-married, each parent must send in a separate 4506-T Form.

**WHAT GATEWAY WILL DO, AND WHEN:**

- Gateway School will receive FAST's assessment of your eligibility for financial aid in late February (assuming that you file your FAST application by the February 15, 2018 deadline).
- Once your complete set of 2017 tax documents and forms is received and processed by FAST, we will then reconcile your application data with your tax document data to determine eligibility for aid and to calculate an award, if eligibility is confirmed.
- If you have submitted all of the required tax documentation in full, have met the deadlines and have been confirmed to be eligible for aid, you will be notified of your financial aid award in March. Enrollment documents reflecting your award (and the remaining amount of tuition and fees that you will be responsible for paying) will be sent to you with your award notice.
- If you are not able to meet the deadlines, we will process your application as long as there are still funds remaining in our financial aid budget for the year. If funds are available and if you are confirmed to be eligible for aid, you will be notified of your award as soon as we can complete our processing. Enrollment documents reflecting your award (and the remaining amount of tuition and fees that you will be responsible for paying) will be sent to you with your award notice.

### ***Gateway School's Financial Aid Policy:***

The mission of Gateway School's Financial Aid program is:

- to provide accessibility for qualified students and families who have been accepted into the program,
- to support and retain our current families, and
- to build a diverse community of families.

Gateway School offers tuition assistance to all K-8 students whose family financial circumstances qualify them for such assistance, subject to budgetary constraints. The assistance offered is a percentage of the actual demonstrated need. The actual percentage of need offered each year will be based on the budgetary constraints of the school.

The decisions to accept a student for admission to Gateway School, and to award tuition assistance, are separate.

## **GATEWAY SCHOOL FINANCIAL AID APPLICATION PRINCIPLES**

1. Students cannot be considered for financial aid (FA) unless they are already enrolled in Gateway School, already admitted to Gateway School, or are in the admissions process.
2. Applying for FA does not confirm or guarantee acceptance into Gateway School's K-8 programs. Admissions decisions and FA award decisions are made separately by the Admissions and Financial Aid Committees respectively.
3. FA is granted on a priority basis to families that have completed their FAST applications and submitted their complete set of tax documents by the deadlines.
4. When processing FA applications, Gateway School adheres to the following guidelines, which are in keeping with guidelines set by the FAST system:
  - The primary responsibility for financing a student's education rests with the family.
  - Since all financial aid comes out of Gateway School's annual operating budget and there are no outside sources to provide financial assistance for our students, families who apply for financial aid are relying on the generosity of the other parents in the Gateway School community to help fund their children's education.
  - Applicant families are expected to manage their family finances with intelligence and intentionality to maximize the contributions they are able to make to their children's education out of their own earnings and assets, and to minimize the burden they place on the other Gateway School parents from whom the school's financial aid funds come.
  - Applicant families are expected to invest in their children's education before non-essential expenses such as: club memberships, vacations, leisure travel, secondary home or rental property ownership, home remodeling, lease or purchase of new cars, leisure vehicles such as boats and motorcycles, saving up for a downpayment on a house, excessive retirement contributions, premium cable or cell phone plans, household help, etc.

- FAST considers the value of each family's assets and imputes additional income to the family based upon the resale value of assets and equity vested in properties.
  - Both parents are expected to contribute to tuition. If a parent can work and chooses not to, FAST imputes an annual income for the non-working parent.
  - In the case of divorced, separated or never-married parents, FAST considers the income and assets of both parents, if living. Therefore, FAST requires both parents to complete the FA application process, regardless of any divorce, custody or other agreement specifying a parent's responsibility for educational expenses or any assertion by the parents that one party or the other has disclaimed or is exempted from responsibility for educational expenses. If one parent is not fulfilling child support obligations then it must be demonstrated that good faith steps are being taken by the other parent to pursue future child support.
  - If parents remarry, FAST considers also the income and assets of the stepparents, while bearing in mind the obligations of the stepparents to their own children.
5. Awards are given to individual students and are not transferable to siblings or other students.
  6. Awards calculated on the basis of a family having more than one child in tuition-charging schools will be recalculated if the number of students actually enrolling in tuition-charging schools winds up being smaller than the number on which the award calculation was based.
  7. Before accepting an award, families must judge whether they will be able to pay the balance of tuition and fees (that is not covered by the award) when due.
  8. In the case of divorced, separated or never-married parents, it is the responsibility of both parents to determine who will be responsible for what portion of the tuition and fees. The school issues only one FA award per student and does not provide split billing. If the parents are not on speaking terms then it is up to them to seek counsel outside of the school to mediate and help them arrive at an agreement.
  9. FA families are expected to hold to all parent obligations as stated in the Gateway School enrollment contract, Agreement Regarding Billing Practices and this statement of Gateway School's Financial Aid Principles, and will otherwise run the risk of having their FA awards rescinded.
  10. Once a student's enrollment contract is fully executed and accepted by the school, the parents are legally obligated to pay the full year's tuition and fees regardless of the student's attendance in the program, use of services or ability to finish the program. The tuition and fees are neither diminished nor

refunded if the student departs (withdraws or is expelled) before the end of the school year, as the obligation to pay the tuition and fees is final and unconditional once enrollment is confirmed through the signed enrollment contract.

11. The FA Committee has the authority to rescind the FA awards of students who separate from Gateway School before the end of the school year, so that the FA funds can be redirected to other eligible students. Under these circumstances, the parents become legally obligated to pay the full (undiscounted) amount of tuition and fees for the full year.
12. The FA Committee has the authority to rescind all remaining financial aid monies, nullify a FA award in full, implement financial contingencies and/or permanently deny FA assistance if information provided on the parents' FA application is shown to be untruthful or deliberately inaccurate, or if continual financial delinquency is exhibited at any time during the student's enrollment.
13. In order to accept the FA award and secure the student's space in our 2018-2019 class, parents or guardians must complete, sign and return this Financial Aid Application Principles form, the enrollment contract, all other required enrollment forms and the enrollment deposit by the enrollment deadline. Gateway School cannot hold awards for families that do not return the signed documents and fees by the specified due date.
14. Qualified FA applicants whom the budget is unable to support will be placed on a waiting list. If, and to the extent that, funds later become available, the FA Committee will distribute grants according to the current enrollment needs of the school.
15. Gateway School will destroy tax returns associated with FA applications after the student is no longer enrolled.
16. Gateway School does not discriminate against students of any race, religion, national origin, gender or any other protected class in the administration of its educational policies, admission policies, financial aid program or other school administered programs.

**Instructions for Filing Your FAST Application**  
**Due February 15, 2018**

1. **Do not start your FAST application until January 1, 2018!** If you start your FAST application earlier than this, you will be applying for aid for the 2017-2018 school year instead of for the 2018-2019 school year.
2. Log on to Gateway School's website [www.gatewaysc.org](http://www.gatewaysc.org).
3. Click on the Admissions tab at the top of the page, and then on Tuition and Financial Aid.
4. Click on the **FAST button** near the bottom of the page. This will take you to the FAST home page.
5. If you need help at any point in this process, please call the FAST toll-free helpline: (877) 326-FAST [(877) 326-3278]. The helpline is open 24 hours a day, 7 days a week.
6. The application process is self-guided. You may log in or out of the program as often as you like so that you can partially complete the application and then go back to it at another time.
7. If desired, click on Downloadable Worksheet and Downloadable User Guide on the FAST home page. This will allow you to print out a blank copy of the application, including "help bubbles," so that you can prepare your data before beginning your online application. All the application questions and further instructions are printed in the Parent User Guide.
8. When you are ready to start the online application, click on the Start Application button on the FAST home page. **When you input your own name on the application, please make sure you write it the same way that it will appear on the 2017 tax returns that you will be sending in later.** This will make it easier for the FAST staff to match your tax returns with your application.
9. **If divorced, separated or never-married, each parent must complete a separate but linked FAST application.** Either parent may start the process by clicking on the Start Application button, answering the questions on family structure and custody, and entering the other parent's email address. The second parent will then receive an email from FAST containing a user name and password. The second parent can then click on the FAST button on Gateway School's website and then click on **Resume Application** on FAST's home page (do **not** click on Start Application!), using that user name and password to log in. There is only one fee for both parents' parts of the application and it is up to the parents to decide who will pay this fee. Payment of the application fee will not be possible until both parents have completed their parts of the application. Neither parent will have access to the other parent's application information or their tax documents.
10. Near the end of the application process, you will be prompted to use FAST's Quick Processing Wizard. This will help you determine which tax documents you need to send in. Please print out the Cover Sheet, when prompted. This Cover Sheet has your unique account number on it, and it should be sent to FAST with your tax documents, if you are mailing your documents in. Through the Quick Processing Wizard, you will also have an opportunity to scan your tax documents into the system, if you are set up with a scanner and prefer scanning to mailing.
11. When you are ready to complete the application and submit it, you must pay the \$43 non-refundable fee by Visa or Mastercard charge. If you do not have one of these credit cards, you must purchase a payment voucher from the Gateway School Business Office by paying \$43 in cash or by check (payable to Gateway School). Please contact Rima Dunton, Business Manager, at (831)423-0341 x 308 or email her at [rima.dunton@gatewaysc.org](mailto:rima.dunton@gatewaysc.org) to arrange to purchase a voucher.
12. See the next pages for instructions on mailing your 2017 tax documents to FAST and for a copy of required IRS Form 4506-T.
