

January 9, 2019

Welcome Back to School!

We hope you had a wonderful and restful Winter Break! We are so thrilled to see students and faculty back on campus this week and look forward to a fantastic start to 2019.

We're moving in June!

One of Gateway School's biggest events in 2019 will be moving our school to 255 Swift Street! For updates (and photos documenting construction progress) please visit our new display in the lobby.

Here are just a few fun before and "work-in-progress" pictures of the center of Pods A and C. New lights, new windows, fresh paint and solar tubes...what a difference so far!
